Orientation to Academic Integrity

Your success as a student at NorQuest College greatly depends on your understanding of **academic integrity**. The Orientation to Academic Integrity course contains 6 short units. Each unit contains a video depicting a situation you may encounter as a student. You will be asked to view each video and respond to questions about the video.

Each unit quiz requires that you receive **100% correct** answers before you can move on to the next unit. You can repeat the unit quizzes as many times as you like to ensure you answer correctly. The **post-test is the same test as the pre-test** and it may only be answered once. Completion of the pre-test, all 6 units, and the post-test will result in a **PASS** grade.

This is an Open Entry, Open Exit (OEE) class. This means that students have **16 weeks** to complete the course. You will select your own start date on the calendar and will be responsible for keeping track of your own time.

You will be able to access the course **three days** after you register. Please follow the instructions below to register for the course.

Locating the Course and Registering Using Online Non-Credit Registration Step-by-Step

1. Go to [continuingeducation.norquest.ca](http://continuingeducation.norquest.ca), from the homepage you can click on the tab labelled **Product offerings** and select **Other Courses**.
